Missionary Thrills McKinley Students

DR. THOMAS DOOLEY, St. Louis native who has established a hospital in Indochina, visited McKinley school in Harrisburg Friday to thank the pupils for sending clothing and other items to the hospital. In top photo he is showing Indochina jewelry and other trinkets to kindergarten pupils, with Bob Newcomb and Patty Thurmond getting a close look; in center photo Dr. Dooley and children inspect clothing that will be included in another shipment to the hospital and Miss Mildred Walden, teacher, looks on at extreme left; lower photo Eugene Morris, McKinley principal, greets Dr. Dooley as he arrived at Harrisburg-Raleigh airport shortly after 11 a. m. Friday. (Daily Register Photos)

Mrs. Burton Leaves Egyptian Health For State Post

Mrs. Mable Grumley Burton, nursing supervisor of the Egyptian Health Department, is terminating her position with the department today. Within a few days she will start a new job with the Illinois State Department of Health.

Mrs. Burton has been with the Egyptian Health Department since it was officially opened on November 1, 1952. Before leaving this area Mrs. Burton expressed her appreciation for the fine support and cooperation she has received from the community of White, Saline, and Gallatin counties and especially the following organizations:

County superintendents of schools, high school and grade school principals and teachers. Farm and Home Bureau units. American Red Cross, Division of Services for Crippled Children. Illinois Public Aid Commission offices in each of the three counties, nursing staff of each of the respective hospitals in the area. County Tuberculosis Sanatorium boards, County Tuberculosis associations, and innumerable individuals with whom she has worked so closely.

Dr. Dooley wrote a wonderful letter to the pupils, thanking them for their kindness and thoughtfulness and promising that if it was possible he would come to their class sometime and personally thank them.

Yesterday, much to the delight of the local youngsters, they talked with Dr. Dooley.

Charters Plane for Visit Here

Thursday afternoon Dr. Dooley telephoned the McKinley school from St. Louis, stating he would fit a trip to Harrisburg into a crowded schedule. He stated he would come from St. Louis by automobile, but mentioned he could not stay long in Harrisburg as he had a 2 p. m. speaking engagement in St. Louis. When told it was at least a 6-hour round trip drive Dr. Dooley then said "I sure want to visit those kids. If there is an airport nearby I will charter a plane and fly in."

He was scheduled to arrive at the Harrisburg-Raleigh airport at 10:30 a. m., but adverse flying conditions prevented this.

Pree to Speak at Lincoln Day Dinner In Eldorado Feb. 11

Ernie Webster of Eldorado, program chairman of the Saline County Republican Booster committee, today announced that Edward G. Pree, Springfield attorney and former administrative assistant to Gov. William G. Stratton, will be principal speaker at the Saline County Lincoln Day dinner.

The dinner will be held at the Eldorado Township high school on Tuesday, Feb. 11, commencing at 6:30 p. m.

Mr. Pree represented Gov. Stratton at the dedication of the Shawneetown bridge nearly two years ago and delivered the chief address for Illinois. Many who attended expressed the opinion that Mr. Pree gave the most inspiring address of all those who gave talks. He has many friends in Saline county.

Mr. Webster stated that there are still a few reservations open and that they can be obtained by calling Atty. L. M. Hancock of Harrisburg, phone Clearbrook 3-7811, or Atty. Jack C. Morris of Eldorado, phone Bridge 3-2681.

Ag Department Rejects Farm Bids in Illinois

WASHINGTON (AP) — The Agriculture Department's experiment in renting entire farms to cut down surplus crop production has collapsed in three out of four test states.

Department officials are rejecting all bids received from farmers in Illinois, Nebraska, and Tennessee under the experiment program.

Maine farmers have until Feb. 28 to submit bids and no decision has been made on their offers, officials said.

The department did not disclose details of the bids. Friday spokesmen said, however, that most bids submitted for placing farms in the government's conservation program for five to ten year periods were too high. The bids considered reasonable were too few to be "representative," they added.

The program for taking entire farms out of production was announced by Agriculture Secretary Ezra Taft Benson at a news conference last December. Benson said it would be tested in four states and later expanded if it worked well.

Under the regular conservation reserve program, farmers may take their land out of production in return for payment at rates fixed by the government. Under the bid program, farmers name the annual rental figure at which they would be willing to retire their lands.

'Chewing Out' on Inter-Com Quiets Berserk Soldier

HONOLULU (AP) — A severe "chewing out" delivered over an intercom system in "military adjectives" quieted a frustrated Army sergeant Friday who terrorized the mental section of Tripler Army Hospital for two hours with a loaded pistol.

An Army spokesman said the soldier, Sgt. Bernard Braddick, 25, whose wife lives at Oakland, Calif., apparently went berserk because he was frustrated in attempts to get a medical discharge.

Braddick entered the mental section for five days in January in an effort to convince authorities he needed a transfer to the West Coast to settle some family problems that were disturbing him. He also asked for an outright release from the Army.

He returned to the hospital Friday and showed nurse Capt. Roberta Smith a pistol. He demanded to be shown into the office of the doctor who had previously examined him.

The nurse took him to the doctor's empty office and left after convincing Braddick she had a sick patient who needed immediate attention. She alerted hospital officials, who called the military police.

Braddick held himself up in the doctor's office and discouraged all intruders by brandishing the pistol and firing it once through a door leading out of the hospital.

Military police Capt. Francis J. Coyle Jr. arrived on the scene and gave the sergeant a severe dressing down "in military adjectives" over the hospital intercommunications system.

Braddick finally walked out in response to Coyle's persistent "chewing out," threw the pistol to the floor and surrendered.

Mrs. Xavier LaBolle Of Raleigh Dies

Mrs. Matilda LaBolle, 83, resident of Raleigh and formerly of Eldorado, died in the Ferrell hospital at 12:30 p. m. Friday. She was the wife of Xavier LaBolle who survives. Also surviving is her son, Henry LaBolle, of Poplar Grove.

The body is in the care of the Martin funeral home in Eldorado and funeral plans have not been completed.

Death by Unknown Causes, Jury Finds In Wm. Dalton Death

A coroner's verdict at the inquest into the death of William D. Dalton, who died in Lightner hospital Thursday, was that he died of unknown causes.

Testifying were: Dr. G. R. Johnson; James McDole and his wife, Vivian, uncle and aunt; Dalton's wife, Josephine; and Robert Gaskins of Gaskins funeral home.

Eldorado Woman Is Placed on Probation

Mrs. Nellie Osborne of Eldorado yesterday was placed on probation for one year by County Judge Traflet Dennis when she pleaded guilty to a charge of child neglect.

Blow to Army and Navy

McElroy Boosts Air Force Hopes to Operate Satellites, Space Ships

WASHINGTON (AP) — Defense Secretary Neil H. McElroy raised the Air Force's hopes today for operating space ships and manned satellites.

McElroy told newsmen Friday he thought the Air Force "naturally" should get the coveted job. The defense secretary's statement was a blow to the Army and Navy. However, he partially allayed the senior services' disappointment by saying his opinion was subject to change.

Air force leaders have long maintained that space near and far above the earth is their rightful domain. However, the Army launched the only successful U. S. satellite so far and wants authority to put up a "whole family" of earth moons to carry out its role of worldwide mapping and communications.

The Navy, still struggling to get up its Vanguard satellite, is known to be interested in handling future space vehicles. McElroy made his statement at a news conference shortly after naming General Electric executive Roy W. Johnson to head the government's new Advanced Research Projects Agency (ARPA) for development of outer space projects.

McElroy also indicated he favored letting present government agencies handle individual space programs once they reach an advanced stage. He appeared to be opposed to setting up a new civilian agency.

He indicated he thought the long existing National Advisory Committee for Aeronautics was one agency well-suited for the job.

Other defense-space developments: —Authoritative sources in London.

Cold Wave Clings To Midwest; at Least 13 Deaths

By United Press A widespread cold wave that transformed the Midwest into a near-Siberia clung oppressively to the major part of the nation today.

Subzero weather was common throughout the northern plains and the upper Mississippi Valley, and the U. S. Weather Bureau said 25-below zero temperatures could be expected in Minnesota and the Dakotas.

With the mercury still dropping, International Falls, Minn., reported 20-below late Friday, and other below-zero temperatures in the teens were frequent through the Midwest.

Temperature drops up to 30 degrees occurred at some spots east of the Mississippi in a 24-hour period, and below freezing temperatures extended as far south as Texas and Louisiana.

The cold front ran through Dixie and forecasters warned Florida farmers, already devastated by three cold waves this winter that a hard freeze was expected in the northern two-thirds of the state.

At least 13 deaths were attributed to the mass of Arctic air which forged over the Canadian border into the Midlands Friday. A United Press count showed exposure deaths in South Dakota, Wisconsin, and Tennessee, and eight weather-caused deaths in Texas. Four of the Texas deaths occurred on icy roads, the other four in a fire caused when kerosene was thrown into a wood stove to ward off the cold.

Two children also were killed near Gardiner, Maine, in a space-heater blaze.

Dies at Rosiclare

Charles L. Brozell, 81, died at 5:30 p. m. Friday at his home in Rosiclare. The body is in the care of the Hosick funeral home at Rosiclare and funeral plans have not been completed.

'More Serious' Than Those Against Others

Committee Studies Mack's Role in TV Channel Decision

WASHINGTON (AP) — House investigators today debated whether to question Federal Communications Commissioner Richard A. Mack in secret because of the seriousness of charges involving his official conduct.

Chairman Morgan M. Moulder (D-Mo.) of a House commerce subcommittee did not disclose the nature of the charges. But he said they were "more serious" than those brought by the subcommittee against FCC Chairman John C. Doerfer and three other FCC commissioners.

Doerfer was accused, by the subcommittee of submitting "fraudulent" claims to the government for expenses paid by broadcast industry groups.

Moulder disclosed that the subcommittee was looking among other things into Mack's role in a controversial decision on Miami's television Channel 10. The FCC awarded the channel to National Airlines. Several other groups had sought the same license.

Moulder said a subcommittee member at an executive session Friday raised the question of invoking a 1955 House secrecy rule for the first time in Mack's case. The rule calls for secret hearings if a committee decides that "evidence or testimony at any investigative hearing may tend to defame, degrade or incriminate any person."

If a secret hearing is granted, the rule provides that the person under investigation may appear voluntarily as a witness and request the committee to subpoena additional witnesses on his behalf.

Moulder said he had not decided whether the rule applied in Mack's case and was still studying the question. The subcommittee is meeting again Monday in closed session for a briefing by Counsel Bernard Schwartz on charges against him, citing "approximate times and places," at least three days before the commissioner is questioned.

The group also voted to "order and direct" each FCC member to submit to the subcommittee a full list of all trips he has made for the government or at industry expense while he has been a commissioner, Moulder said.

Moulder said the hearings may go on "for several months."

The chairman said he would favor a bill by Sen. William M. Proxmire (D-Wis.) to forbid all regulatory agency members from accepting fees on trips they make at government expense. He predicted the subcommittee would recommend such legislation.

Brother of Alvin Porter Dies

Word has been received by Alvin Porter, 211 East Church street, Harrisburg, that his brother, C. E. Porter, died suddenly of a heart attack Friday night in Hammond, Ind. Mr. and Mrs. Porter will leave Harrisburg Sunday morning to attend the funeral which will be held in Hammond, Monday.

Mrs. Otis Cox of Shawneetown Area Dies

Mrs. Betty May Cox, 69, widow of Otis Cox and a resident of the Shawneetown community, died in the Ferrell hospital in Eldorado Friday morning. The funeral will be held at 2 p. m. Monday in the Wright funeral home in Shawneetown and burial will be in the McGee cemetery.

Dr. Dooley, Medical Missionary to Indochina, Visits McKinley School

Charters Plane to Visit Kindergarten Children Here

McKinley school pupils and faculty Friday learned first hand of the jungle country of Indochina and its people from a man who has spent many months there treating their illnesses and who plans to return to the jungle country within the next few months.

Visiting McKinley school was Dr. Thomas A. Dooley—a man with a goal and a man on the go.

His goal is to establish more medical facilities in Indochina and during his comparative short stay in the United States he is constantly on the go to inform people of the need and to arouse interest and raise financial assistance.

Dr. Dooley has operated a hospital in Laos, Indochina for 18 months, serving some 30,000 natives who otherwise would have had to rely on witch doctors or no doctors for their sickness.

Farm Class to Hear Soil Specialist

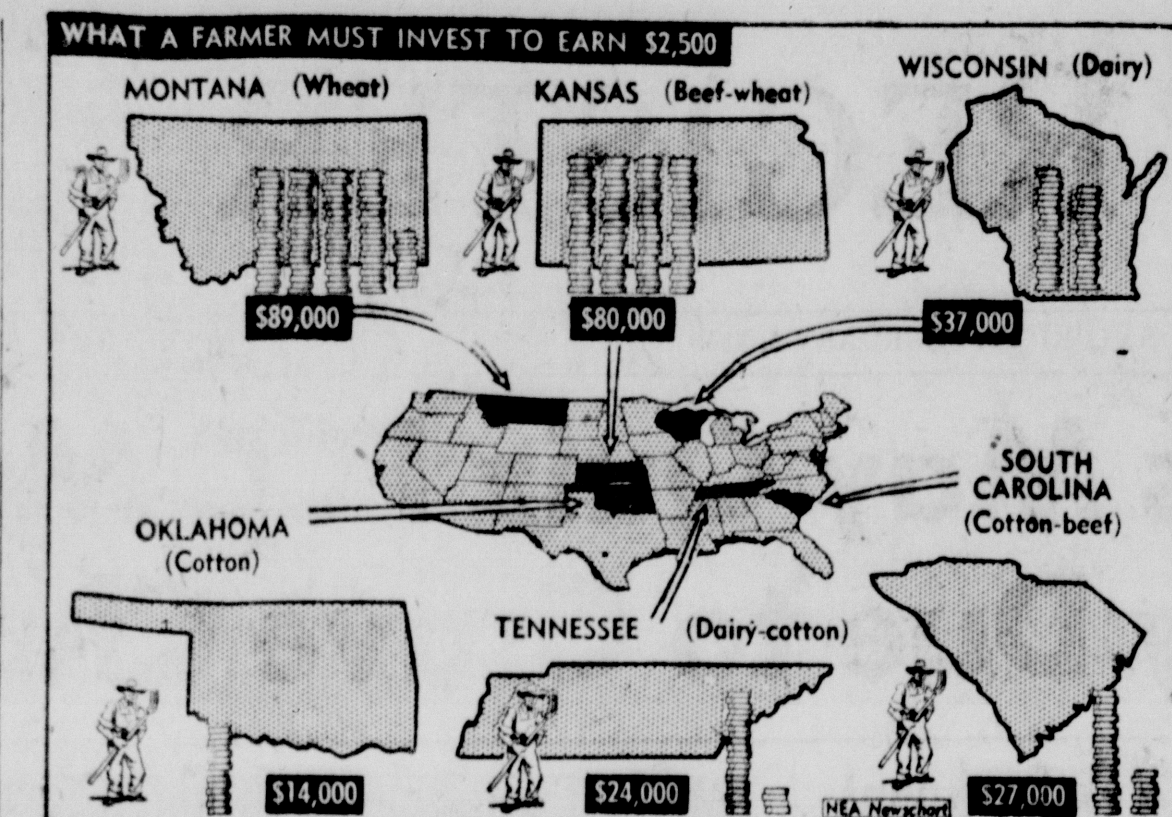

Monday at 7 p. m. the Farm Management class at the Eldorado high school will have the opportunity of hearing one of the outstanding soil specialists in the State of Illinois, Don Wallace of Mt. Vernon. Mr. Wallace has been typing and classifying soils for a number of years in the southern section of the State of Illinois. He has been closely associated with the farm planners in the Soil Conservation Department in this area. Everyone will have an opportunity to ask questions concerning its individual soil problems.

To better acquaint yourself with your soil, make plans to be present Monday at 7 p. m. at the Eldorado high school agriculture classroom for this meeting. Refreshments will be served following the meeting.

Americans eat about 1,550 pounds of food per capita every year.

MAKING HAY TAKES MONEY—To realize an annual \$2,500 profit, family farm operators need investments of from \$14,000 to \$89,000, depending upon where the farm is located and the type of crop raised. The figures are the result of a study conducted by the Agricultural Research Service in six widely separated sections of the country. Operator's earnings are defined as gross farm income minus total farm expenses, capital charges, or interest on investment for the privilege of using the farm resources, and an allowance for unpaid family labor used on the farm.

S.I.U. Country Column

Considerable belt-tightening appears underway in the business world but so far the decline in business activity has had little noticeable impact on agriculture, says Walter J. Wills, agricultural marketing specialist at Southern Illinois University, in an outlook roundup.

This observation doesn't mean that conditions are going to be rosy for the farmer in 1958 while the general economy is going through a "readjustment." Farmers have been "readjusting" for a considerable period. Wills says prices received by farmers averaged 81 percent of parity during the last three months of 1957 and he sees little change in the year ahead.

Meantime, the business world is building up a wave of pessimism in many areas. At mid-winter most general economic indicators were lower than a year ago. Industrial production was down nearly eight percent, total employment was lower, and the work week in

manufacturing was shorter. In December, 3.4 million persons were unemployed and if the usual seasonal patterns continue the unemployment figure will rise to more than four million (about six percent of the total labor force) in the months ahead. Just now there is no indication that this year's winter layoffs will be just for "seasonal causes."

This has brought some cut in consumer spending as well as changes in consumer "buying attitudes." Their buying plans are at the lowest point since 1953-54. Consequently, businessmen are placing smaller orders and some of the plans for investing in new plants and equipment are being cut.

However, there are some counteracting forces that may get the upper hand, if given a little time, and provide a good antidote for the present wave of pessimism. Wills believes. Federal, state, and local governments are expected to spend more money and the home builders think activity in this field will be stepped up as the financing problems ease. Basically the American economy still is moving upward.

Here is about the way the situation stands on the farm front, according to Wills. While industrial production was moving downward during the second half of 1957, farmers were harvesting a crop that matched all previous records. Hence, inroads on accumulated surpluses were quite small. Stocks of wheat and cotton were pared in 1957, but stocks of feed grains and soybeans are at record levels. Soybean stocks are 16 percent above a year ago and feed grain stocks show a 114 percent gain since early 1957.

The President's budget message asked for considerable added authority to dispose of surplus farm commodities abroad, but a world wide slowdown in business activity has already slowed farm exports in spite of "cut-rate prices." However, soil bank signups for 1958 are running far ahead of 1957, suggesting continued slow progress at reducing surpluses in the year ahead.

The large supplies of feed grains and "soft" corn are dominating the present grain and livestock markets. Corn prices went lower at a period when seasonal strength usually occurs. Prices of many feeds were near the lowest levels since World War II and there is little chance of much, if any, improvement in feed grain prices. The same outlook holds for the soybean market.

Wills sees the present outlook for livestock, dairying, and poultry about as follows:

Cattle and hog prices have strengthened as farmers held up marketing to use up wet corn and because favorable feed-price ratios are encouraging feeding livestock to heavier weights. Cattle on feed January 1 numbered three percent less than a year ago, were of lighter weight, and on feed a shorter time. This may mean trouble for overweight cattle on the spring market.

Hog prices may weaken soon and

Applications Under Soil Bank Surpass Authorized Funds

WASHINGTON — Farmers have applied for 1958 soil bank payments totaling 41 million dollars more than Congress authorized, the Agriculture Department reported today.

Under the acreage reserve, farmers may earn federal payments for not growing wheat, cotton, corn, rice, and tobacco. The administration "has asked Congress to drop the program for next year."

Congress authorized payments of 500 million dollars under the 1958 program. The department said all offerings through Jan. 31—winter wheat agreements signed last fall, plus applications on file and on "waiting lists" this spring—would call for total payments of \$540,843,867.

The "waiting lists" are on file in counties where early-comers filled up original quotas. These lists include requests to put about 1,118,000 acres in the bank for payments of \$115,400,000.

Department officials have given state agricultural stabilization committees authority to deal with the "waiting lists" in one or two ways. Applications can be approved on a first come, first served basis, or officials may scale down all applications and spread available funds to all who apply.

WEBQ Baptist Hour Schedule

Schedule for the Baptist Hour Association program over radio station WEBQ daily from 7 to 8 a. m. is as follows with the church and minister in charge:

- For any question about the schedule call or write the Rev. Ernest Ammon, 113 West Elm street, Harrisburg, Ill.
- Feb. 9, McKinley Avenue Baptist, Dr. H. L. Waters.
- Feb. 10, Ridgway Baptist, Rev. L. C. Irby.
- Feb. 11, Stonefort Baptist, Rev. George Smith.
- Feb. 12, East Benton Baptist, Rev. Lloyd Trotter.
- Feb. 13, Williamson Association & Creal Springs with Rev. Robert Peterson.
- Feb. 14, Rev. John B. Maulding, McLeansboro.
- Feb. 15, Carrier Mills Baptist, Rev. Bertie Smith.
- Feb. 16, North America Baptist, Rev. Sam Motsinger.

be appreciably less next fall than during the past fall due to larger supplies on the markets and on the farms.

Milk production is expected to continue upward in 1958, but it looks as if prices will average about six percent below 1957.

Egg prices are in a seasonal decline with higher production, but the total production is expected to be lower and prices higher during the first half of 1958 than during the first half of 1957.

Notes from Farm Adviser

On Wednesday, January 22, 101 4-H leaders and workers with the 4-H program were guests of Sears-Roebuck and Company at a dinner meeting in Wesley Center in Harrisburg. Counties represented were Franklin, Pope-Hardin, Massac, Williamson, Hamilton, White, Gallatin and Saline. Specialists from the University of Illinois were in charge of an educational program.

Saline County was represented by 24 people and furnished the meeting place for the district. Entertainment was furnished by the 4-H club led by Mrs. Sim Richardson of the Stonefort community. The meal was served by the women of the First Methodist Church, members of the Ruth Circle of the Women's Society of Christian Service.

On January 23 R. J. Webb and Dr. M. E. Mansfield spoke to 54 farmers and local agricultural students about animal health, feeding, management of beef cattle and pasture programs at Dixon Springs. This was an outstanding meeting.

It seems that Saline County will be called upon to test for brucellosis in both dairy and beef herds during 1958 and 1959. This may not be too much of a problem as several herds have been tested while most dairy men have a chemical ring test made at the dairy plant for them.

Bob Webb explained some of the recent changes in beef production especially in feeder steers, where a complete ration was made of 70 pounds corn and cob meal, 40 pounds good hay and 10 pounds 42% soy bean oil meal ground and mixed. The old feeding practice was to feed hay and grain separately, now the completed mixed feed is placed in a self feeder.

The use of stilbestrol implanted in the ear tissue also increased yields from 1/2 to near 1 pound gain per day on steers. If a steer should gain 1/4 pound per day for 6 months or 180 days, it would give 65 pounds increase at 20c per pound, \$13.00. If the gain was 1/2 pound per day or about \$26 extra on each steer, it's good business, when the cost of the implant is about 12c per animal.

In other words those small pellets or implants are worth more than weight of gold to the cattle feeder, according to Bob Webb.

Vocational agriculture teacher, E. J. Thompson of Harrisburg, attended with agricultural students and were very interested in the material presented.

NOTICE OF THREE IMPORTANT MEETINGS

On February 5 at 10 o'clock at the City Hall in Harrisburg Ralph Johnson of the university dairy department will talk to the dairy men in the county and those in adjoining counties who are interested in dairy herd management and feeding.

This will be a 2 hour session and there will be a question and answer period for discussion of individual and local interest.

On February 11 Pat Johnson will be in the county to show slides and lecture on soils and crop experiments.

Dr. Earl Spurrier will show slides and lecture on control of Johnson grass and giant foxtail grass. This meeting is scheduled at 9:45 at the city hall, but from interest shown and number of people expressing interest in coming to this meeting, it may have to be moved to a larger room than the council room.

During February and first of March farmers should check fall seedlings. This winter has been open, little snow cover, a few days when the top has been frozen dry for an inch or two. Cold wind against this small grass or legume seedling may have killed it. Wheat also has too much water in the top soil to let roots penetrate very deep some water damage may show up. Some nitrogen might pay on wheat. Perhaps an 80 pound bag of 33% ammonia nitrate would give good returns.

Some of our highest wheat yields have followed winters with light rainfall when nitrogen can enter a dry soil from the air and react with organic material in the soil. Most of nitrogen is released from decaying vegetation in the soil. Dry weather is more favorable to nitrogen build up.

I would suggest nitrogen may be low this time of year. Plants may be weakened, and disease a threat because of humid conditions as well as plants too weak to resist disease.

Taking a close look at wheat grass seedlings and legumes this coming month should help determine what treatment is needed.

Causes

Hardening of the arteries and high blood pressure cause about 90 percent of all heart and blood vessel diseases, according to the American Heart Association.

Deadline of Junior Chicken Contest March 1

Illinois 4-H and vocational agriculture members with poultry projects will observe a deadline date of March 1 for entries in the 1958 Junior Chicken-of-Tomorrow contest.

O. F. Gaebbe, state leader of agricultural 4-H Clubs at the University of Illinois, reminds the junior growers that hatching dates this year will be March 24, 25, 26 and 27 for contest entries.

An entry shall consist of 50 cockerel chicks of one breed, strain or cross, Gaebbe says. Contestants may submit more than one entry so long as each is of a different breed, strain or cross. Contestants are urged to grow larger broods, but entries for final judging must come from the 50 banded chicks in each entry.

Local hatcherymen from whom the contestants buy the chicks will get the necessary wingbands and hatching certificates from Clarence Ems, poultry division of the State Department of Agriculture, Springfield. Birds must be banded as day-old chicks.

Contestants will deliver 10 live cockerels from the banded birds to Armour Creameries, Lincoln, between 8:00 a. m. and 2:00 p. m., CDT on May 21. The best eight cockerels will be considered in making the final placings.

Judging will start at 9:00 a. m. on May 23 at the Armour Creameries. The processing plant will pay prevailing broiler market price for all entries. A premium will be paid on the basis of one cent a pound for the total number of Grade A birds of each entry.

Cash prizes and ribbons furnished by the Illinois Poultry Improvement Association will be awarded to winners in three sections, with trophies to the first five state winners. Ask your county farm adviser or your vocational agriculture teacher for full information and official entry blanks.

Social and Personal Items

Distribute Program Books at Meeting of St. Ann's Altar Society

Program books for 1958 were distributed to the members of St. Ann's Altar society at their regular monthly meeting held Wednesday evening.

The Rev. T. G. Bruns opened the meeting with prayer and those present answered the roll call with their telephone numbers.

The names of the committees for the various departments were read and Mrs. W. I. Reynolds, chairman of the Charities committee, reported three cards of condolence sent in January. It was voted to send a housecoat, four night gowns, house slippers and hose to a needy member of the Galatia Nursing Home.

It was also voted to send a card of thanks to the television stations of Harrisburg and Paducah for showing the film "Rome Eternal."

For the devotion Mrs. Lena Johnson read an article from Readers Digest, "The Rich Rewards of Compassion," by I. A. R. Wylie.

Mrs. Mary Humm and Mrs. Billie Johnson were in charge of the recreation hour.

Cherry pie and coffee were served from a pretty table centered with a large red chignon heart. The committee of the month was: Mrs. Amelia Aaron, Mrs. Alonda Abney, Mrs. Pauline Arbie, Mrs. Rita Bolatto, Mrs. Marian Bryant, Mrs. Mary Rodgers and Mrs. Rovenia Partain. For the decoration of the altar the committee for the month is composed of Mrs. Mary Brannock, Mrs. Bess Brown, Mrs. Gladys Debes and Mrs. Lovetta Boyke.

Sloan Heights Home Bureau Meets With Mrs. Russell Rose

The Sloan Heights Home Bureau unit met in the home of Mrs. Russell Rose Tuesday afternoon. Mrs. Tom Clevenger presided and opened the meeting and the various chairmen gave reports. Mrs. Rose called the roll and read the secretary's minutes. The minor session, "The Machine Hem stitch," was given by Mrs. Otis Hickey and the major lesson, "Beef in Our Meats," was presented by Mrs. Rose.

Mrs. A. M. Hetherington Jr. was in charge of the games and she was awarded the door prize. Mrs. Walter Coker assisted the hostess with the refreshments. Others attending were: Mrs. James F. Moore, Mrs. Kenneth White and the guest, Mrs. J. O. Hall.

Mrs. Robert S. Keltner, who recently underwent surgery, was able to be returned to her residence, 115 East Rose street, today from Lightner hospital, for convalescence.

Miss Anna Mae Bobka, James Haegele Wed in Nuptial High Mass at St. Mary's

Mr. and Mrs. James Haegele (Foster Studio Photo)

Miss Anna Mae Bobka, daughter of Mr. and Mrs. Louis Bobka, 1216 South Webster street, Harrisburg, and James O. Haegele, son of Mr. and Mrs. Joseph G. Haegele, St. Louis, Mo., were married at Nuptial High Mass in St. Mary's church, Harrisburg, at 10 o'clock, Feb. 1. The Rev. Thomas G. Bruns performed the double-ring ceremony before the altar decorated with candelabras, palms, baskets and

First Baptist Church Missionary Groups Meet

Mrs. Marion Lane was hostess to the Irma Franks circle Wednesday afternoon. Mrs. Clarence Howell called the meeting to order and the group sang a hymn. Mrs. Cyrus Steinsultz led in a prayer for the Southern Baptist missionaries and Mrs. Bob Burnett gave the devotion on "Prayer."

Mrs. Ernest Ammon and Mrs. L. F. Waite presented the mission topics and community mission assignments were given. Reports of committee chairmen were heard and the meeting closed with a prayer by Mrs. D. H. Hiller.

Refreshments of date pudding and punch were served and 11 members attended. The Everly Hayes circle met with Mrs. Stella McNulty, Wednesday. There were 11 members present and the meeting opened with group singing. Mrs. Lloyd Reynolds presided and the minutes of the previous meeting were read. Reports of visits to shut-ins and community assignments were heard.

Mrs. McNulty led the prayer for missionaries whose birthdays fell on the meeting day. Mrs. Mima Woolard directed the program and Mrs. Charles Kelly gave the devotion on "Prayer." Mrs. Bailey Moore presented the lesson on "Stewardship." Mrs. Waldo Shelton the missionary topic, "Except the Lord Build the House," and Mrs. Raymond Greer, "Write it on Their Hearts." Mrs. Archie closed the meeting with prayer.

Cherry pie a la mode and coffee were served to those present.

The Blanche Simpson circle met with Mrs. Alma Riegel, Thursday afternoon with nine members and two visitors present. Mrs. Luther Armistead presided and the meeting opened with group singing and prayers. Mrs. Dan Miner gave the devotion and Mrs. B. F. Fearley, Mrs. Kenneth Dunn and Mrs. Andy Oldham presented the missionary and stewardship topics. There were reports on the community missions accomplished and visits to shut-ins. Plans were made for the March meeting and refreshments were served by the hostess.

Nine members of the Ida Nell Holloway circle met with Mrs. Charles Mitchell, Thursday afternoon. Mrs. Ed Creek opened the meeting with prayer and Mrs. Mitchell read the scripture lesson, Deuteronomy 6:4-12. Mrs. Corby Wickham gave the devotion and Mr. S. H. Cole presented the lesson on Stewardship.

Mrs. M. R. Williams reported on a visit to the nursing home. Members present told how they became interested in missionary work and plans were made to enlist others. Mrs. Hubert Hawkins closed the meeting with prayer. Refreshments of cherry pie, whipped cream and coffee were served by the hostess.

Mrs. Lodema Sisk Hostess Business Women's Circle

The Business Women's mission circle of the Dorrisville Baptist church held a meeting in the home of Mrs. Lodema Sisk recently. Mrs. Nell Pate, visiting president of the Women's Missionary Union, opened the meeting with prayer. The program theme was "Doorposts and Gates" with all members participating. Mrs. Marie Smith closed the meeting with prayer.

Refreshments were served by the hostess and the following attended: Mrs. Norma Aldridge, Mrs. Marie Smith, Miss Ann Turner, Mrs. Maxine Stephens, Mrs. Laverne Cooper, guest of honor, Mrs. Nell Pate, two visitors, Miss Cheryl Lynn Cooper and Miss Dana Sisk and the hostess.

Calendar Of Meetings

Michael Hillegas chapter D.A.R. will meet in the home of the regent, Mrs. Jeanette Gray, at 7:30 p. m. Monday. Mrs. Louise McNab and Mrs. Althea Cavender will be hostesses with Mrs. Gray. This is the American History Month program and participating in the program will be Mrs. Mary Shepherd, Mrs. Jessie Boatright, Mrs. Mary Musgrave and Mrs. Mary Lindsay. State reports will be heard.

Carrier Mills I. O. O. F. Lodge 874 will meet at 7 p. m. Monday. Work in the First Degree will be observed. Members are urged to attend and visitors are welcome. E. T. Thomas, N. G.

I. O. O. F. Lodge 386 will meet at 7 p. m. Monday. Members are urged to attend and visitors are welcome. Melvin Starnes, N. G.

The Union Association of Singers will meet in the Eldorado Church of God Feb. 16. This is a change from the time that the regular meetings have been held previously. It has been decided to meet on the third Sunday of each month instead of the second Sunday.

There will be color slides shown of Missionary work in India at the regular evening service at 7 p. m. Sunday in the Church of the Nazarene. The public is invited to attend.

The Past Noble Grand club of Pride of Arrow Rebekah lodge will meet at 7:30 p. m. Monday in the home of Mrs. Letha Cozart, 515 East Church street, Harrisburg.

Pride of Midway Rebekah Lodge 679 will hold its regular meeting at 7 p. m. Monday and new members will be initiated. Mary Barger, N. G.

The Carrier Mills Federated Woman's club will meet at 7:30 p. m. Monday in the Masonic temple of Carrier Mills. The program will be on "Art."

The American Legion auxiliary is again sponsoring the Heart Fund campaign. Literature is being prepared for distribution and will be in the hands of the members soon. Mrs. Frank G. Parker is the chairman and Mrs. Dollie Johnson is the auxiliary president.

The Veterans of Foreign Wars Auxiliary will meet at 7:30 p. m. Monday in the VFW home.

Marriage Licenses

Gary Hagan, 21, and Ernestine Cartwright, 18, both of Owensboro, Ky.

Billy Roy Vincent, 18, Beulah, Ky., and Hilta Holeman, 17, Chicago.

Cecil William Portee, 29, and Avalon R. Miller, 25, both of Carrier Mills.

Woman Author Dies of Cancer

SEATTLE (AP)—Betty MacDonald, author of the best-selling "The Egg and I" and other books, died of cancer at Maynard hospital here late Friday night.

Mrs. MacDonald, 49, returned from her Carmel Valley, Calif., residence last September for treatment. She has been in and out of the hospital ever since and was last admitted shortly before Christmas.

Besides "The Egg and I," she wrote "Onions in the Stew" and a number of juvenile books including the "Mrs. Piggle-Wiggle" series.

Southern, Western Illinois Areas Get Most Thunderstorms

URBANA, Ill. (AP)—The state Water Survey Division today announced results of a study of thunderstorm activity in Illinois.

The report showed that more thunderstorms occur in the southern and western parts of the state; that more than 42 per cent of the average annual rainfall in southern and western Illinois results from thunderstorms; and that most of the thunderstorms in western Illinois occur at night.

The report also showed that most thunderstorms in Illinois occur in June. The least number of thunderstorms occurs in December.

Temporary Tax Cut Suggested By Taxwriter

Sparkman, Gore to Introduce Bills to Relieve Slump

WASHINGTON (AP)—A key congressional Democrat suggested today Congress might cut income taxes beginning this summer — but only on a temporary basis.

The Democratic taxwriter, who asked that his name not be used, said Congress might decide to reduce taxes to help cure the business down turn. But he said such legislation probably would provide a date when the tax rate would jump back to the present level.

The argument for a temporary reduction in taxes was advanced by a number of economists in testimony before the House Ways and Means Committee which completed five weeks of hearings Friday on tax revision proposals.

The purpose would be to give the economy a quick stimulant by boosting the take-home pay of jobholders—starting perhaps July 1.

Sens. John J. Sparkman (D-Ala.) and Albert Gore (D-Tenn.) promised they would introduce bills aimed at relieving the economic slump. Sparkman, chairman of the Senate housing subcommittee, wants an emergency "crash program" to stimulate activity in the building trades. Gore is sponsoring a bill to re-establish the Reconstruction Finance Corporation.

The House Monday will take up an emergency \$43,400,000 appropriations bill to beef up the government's unemployment compensation program.

Neither House was in session today and there were no committee meetings.

Other congressional news:

Appropriations: The House Appropriations Committee voted to give President Eisenhower \$12,668,870 — virtually all the money he had requested — to run the White House and executive offices in the fiscal year starting July 1. But the committee complained that the President was surrounded by a wasteful and "confusing multiplicity" of boards, commissions and committees.

Defense: The House Armed Services Committee released previously secret Navy testimony warning that Russia could use earth satellites to keep an eye on every allied vessel at sea anywhere.

Air Force Secretary James H. Douglas told the committee the Air Force intercontinental missile Titan would be test flown for the first time this year. He also said the Atlas, another ICBM, will be in operational use in December, 1959.

Chairman Lyndon B. Johnson (D-Tex.) of the Senate preparedness subcommittee announced that Defense Secretary Neil H. McElroy will be called Feb. 26 for a "progress report" on space-defense programs.

Elks Crippled Children's Clinic At Carmi Feb. 12

The regular bi-monthly clinic for crippled children of the southern part of Illinois will be held at the Carmi Elks Club, 215 East Cherry street, Carmi, Wednesday, Feb. 12, from 9 a. m. to 12 noon. Sponsored by Elks lodges, six of these clinics are held in this area each year as part of a statewide Elks program which has been in existence for 29 years.

Patients who have been examined previously and are due for a checkup are urged to attend and doctors in the area are invited to bring or send patients with orthopaedic problems to the clinic for examination by Dr. James E. Robinson, orthopaedic surgeon on the staff at U. of I. Research and Educational Hospitals, Chicago, who has been assigned to the clinic. New patients must have written consent of or be accompanied by their family physicians. Minor children to be accompanied by their parents or legal guardians. The clinic is free.

Local patients planning to attend should get in touch with Chairman James H. Arensman of the local Elks crippled children's committee who will arrange for transportation if required.

State to Open New Bids for Road Work

The state division of highways has readvertised for bids for 5.13 miles of concrete base course widening and 2.45 miles of concrete base course on U. S. Route 45 from Carrier Mills to approximately one mile southwest of Stonefort. Bids will be opened Feb. 25.

Bids were opened in January for this project but were turned down because they exceeded the estimate.

There also will be bids opened Feb. 25 for bituminous surface treatment of Route 142 in Equality; for 1.64 miles of concrete pavement on Route 34 from approximately one mile east of Benton southeasterly; and for 2.89 miles of concrete pavement on Federal Aid Route 14 from Crainville Road to approximately one-fourth mile east of Illinois Route 148 in Williamson county.

Patrolman and Insurance Man Face Charges

PADUCAH, Ky. (AP)—A Missouri state patrolman and a Fulton, Ky., insurance man today faced charges of voluntary manslaughter in the death of a young woman accidentally killed at a police road-block last Sunday.

The warrants were served on Forrest McAlister, 29, Fulton, and trooper Vernon Hopkins, of Hayti, Mo., at the conclusion of a three inquest into the young woman's death.

Both McAlister and Hopkins were released pending an examining trial Feb. 17 in McCracken quarterly court.

Jewell English, 24, was accidentally shot to death when she was struck by two bullets fired into a car in which she was riding which allegedly failed to stop at the road-block.

Medical Missionary Visits McKinley School

(Continued From Page One)

ditions delayed him 35 minutes. His first words to Eugene Morris, McKinley principal who met the party at the airport, "Will I get to see the kids or have they left for lunch?" He was assured the pupils were waiting.

Almost an hour was spent at McKinley school, with no time wasted, but everyone had an opportunity to talk with the doctor.

Shows Indochina Jewelry

The 30-year-old handsome dynamo loves kids and they immediately took to him. Going directly to the kindergarten room Dr. Dooley gave out with a friendly "Hello," opened a bag containing Indochina jewelry and trinkets and invited everyone to look at the jewelry and put the necklaces around the necks of several of the girls.

Then the entire school met in the gymnasium where Dr. Dooley talked for a short time, showed two rolls of film taken in the country around his hospital and answered questions.

During the film several of the children recognized clothing and toys they had sent to the hospital. Cries of "That's my dress," "There's my doll," filled the air as the excited children at McKinley saw native children of Indochina actually wearing or playing with things sent them more than a year ago.

About 12:30 it was all over. Dr. Dooley had to leave to make his engagement at 2 p. m. in St. Louis. He also had two other engagements late in the day and was to leave by train Friday night for Pittsburgh.

Aided Freedom Flight

In 1955 the St. Louis Dr. Dooley was a Navy officer who ran a refugee camp at Haiphong, a point of funnel in the Navy's "Passage to Freedom" operation in which thousands of persons were aided in their flight from freedom from Communist areas to South Vietnam.

What he experienced aroused his compassion for the people who are living in another age, without knowledge of modern sanitation or medicine. Who were suffering from many diseases and had only witch doctors to treat them.

A large percent of the people were afflicted with malaria, cholera, smallpox, leprosy, whooping cough, flu, etc. And with no knowledge of how the diseases should be treated.

When Dr. Dooley became a civilian he formed a four-man medical team and went into the jungle country near Laos to establish a hospital. It has been a great success.

To Send More Boxes

Miss Mildred Walden, McKinley kindergarten teacher, read of the work being done by Dr. Dooley and of the great need for assistance and proposed to her kindergarten pupils at Christmas time in 1956 that they share their clothing and toys with the less fortunate children of Indochina. It sounded like a great idea and the children, with whole-hearted cooperation of the parents, fixed a fine box to be mailed.

Other boxes followed and many more will be sent in the near future. At present, with the entire McKinley school now working on the project, there are many, many items of clothing that will make Dr. Dooley's "kids" happy.

Dr. Dooley is a busy man and his work has attracted nation-wide attention. He has written books that are best sellers, he is in demand for radio and TV appearances and his travels across the country are followed by Life magazine representatives. Two Life photographers and reporters accompanied him to Harrisburg, where he came to thank the youngsters for remembering other youngsters in a far off part of the world.

It was a big day at McKinley. But it would be difficult to say who enjoyed it the most—Dr. Dooley, the man with a goal, or the McKinley pupils who are helping him reach the goal.

Births

Mr. and Mrs. James H. Conn, RFD 1, Elizabethtown, are parents of a boy born at the Harrisburg hospital Thursday. The baby has been named Baxter Eugene and weighed seven pounds, 12 ounces at birth.

Congress, in Article 1, Section 8, of the Constitution, is given the authority to coin money.

Mt. Vernon Mayor Wins Election Trial

MOUNT VERNON, Ill. (AP)—The end of an election contest trial at Mount Vernon has left Virgil T. Bailey with a tighter grip on the keys to the city.

The trial ended Friday by stipulation after a conference of more than an hour by attorneys with Judge Randall Quindry. Quindry then announced that Bailey won as mayor over Joseph Dull by a 44-vote majority.

Dull was defeated in the election last April by 37 votes. He challenged Bailey's election, saying Bailey had won on illegal ballots.

During the 12-day trial which spread over three weeks due to two recesses, some 150 witnesses were called to testify how they voted.

Singing Convention Held Sunday at General Baptist Church

The Saline County Singing convention met in the Sloan street General Baptist church Sunday. The Pathfinder quartette, in addition to a generous planned program, sang many requested numbers. Various song leaders led in the congregational singing and other special groups were heard.

The Victory Trio Eldorado, sang, as did a trio from a local church, the Pankeyville church ladies' duet and several soloists.

All singers and the public are invited to attend these meetings and to participate in the programs. The meetings are held on the first Sunday afternoon of each month and the March meeting will be held in the Pankeyville Baptist church.

Raymond Allen is the president of the organization and Earl Hicks is its secretary.

Pistons Beat Hawks, 125-107

By United Press

George Yardley's latest scoring outburst today zoomed the Detroit Pistons star into a 124-point lead over Syracuse's Dolph Schayes in their race for the National Basketball Association's individual scoring honors.

The slim, balding Yardley connected for 37 points in a 125-107 victory over the St. Louis Hawks Friday night while Schayes scored only 19 in the Nationals' 105-102 win over the New York Knickerbockers. Yardley now has 1500 points in 55 games for a 27.3 average and Schayes has 1376 points in 54 games for a 25.5 average.

The Boston Celtics whipped the Minneapolis Lakers, 114-88, and the Cincinnati Royals shaded the Philadelphia Warriors, 103-100, in other games.

The Daily Register 30c a week

Young Drifter Admits Beating Five to Death

BOWLING GREEN, Va. (AP)—Authorities of Alabama, Georgia and Ohio today rushed murder warrants for a young Negro "drifter" who confessed bludgeoning five white victims to death in a year and a half.

"Everybody I ever robbed I killed," Jeremiah McCray, 25, calmly told state police Friday after submitting to a lie detector in Richmond, Va.

But the medium-built, 190-pound man was mistaken. While a "sixth victim" he listed survived, Georgia authorities believed McCray may have forgotten four other robbery murders.

One Male Victim

McCray's victims were white women ranging from 49 to 86 years old except for 33-year-old Robert Hanbury, of Atlanta.

A sixth intended victim was Hanbury's 79-year-old mother, Mrs. Carrie B. Hanbury, who survived a severe beating. McCray believed he had killed her.

Officers converged upon McCray from Atlanta; Calhoun County, Ala.; and Fayette County, Ohio. Atlanta detectives planned to question McCray about four additional Atlanta deaths that "fit the pattern."

Elderly Woman Beaten, Stabbed

Calhoun County Sheriff Roy Sneed left by car hoping to get McCray extradited for the death of Daisy Gilbert, 73, whose body found on Feb. 27, 1956, bore a dozen gashes dealt upon the head and face with a stick and one stab wound from a butcher knife.

Virginia authorities already had charged McCray with the rape-murder of Mrs. Jeanette M. Griffin, 48, last Monday but said there "might be a chance to get him if we get a grand jury to indict him before they do."

McCray also confessed beating and stabbing Mrs. Virginia Mao-Klin Stevens, about 80, to death last month in her home in Colonial Heights, Va., and hacking to death Stella Dewitt, about 86, last July in her home on state Route 3 near Columbia, Ohio.

Influenza and Pneumonia Deaths Rising Steadily

WASHINGTON (AP)—Deaths from influenza and pneumonia have been "rising steadily" for the past four weeks, Surgeon General Leroy E. Burney reported today.

Burney said the "precise cause" of the upsurge in fatalities is not known.

Burney said a total of 748 deaths from flu and pneumonia were reported for the week ending Feb. 1.

In Memoriam
In memory of Arch Miller who passed away Feb. 9, 1957: With loving thoughts that never die,
As years roll on and days pass by,
In our hearts a memory is kept
Of one we loved and cannot forget.
Sadly missed by the children, Henry, Blanche and Clara. 188—

In Memoriam
In loving memory of Paul Pankey, who passed away one year ago today, Feb. 8th, 1957: What would I give to clasp your hand,
Your happy face to see,
To hear your voice and see your smile,
That meant so much to me,
Sadly missed by his wife, children, grandchildren, and sister. *188-1

In Memoriam
In memory of Charley Melton, who passed away Feb. 8, 1957: My lips cannot tell how I miss him,
My heart cannot tell what to say,
God alone knows how I miss him,
In a home that is lonesome today.
Sadly missed by wife, Ona and son, Ralph. *188-1

Card of Thanks

MAXFIELD—More words are inadequate to express our thanks and appreciation to everyone for their kindness, shown to us during the long illness and following the death of our loved one, Larry Ross Maxfield. Especially do we thank Rev. Harry Grimes, and Rev. John Williams, the singers, Dr. W. J. Blackard, the nurses at Lightner hospital, the Turner funeral home, pallbearers, flower girls, those who sent beautiful flowers, food and words of sympathy, and who helped in any way to lighten our sorrow. The Lord bless each and every one.

YOUR Income Tax
Retirement Income Credit

H. J. White, Director of the Internal Revenue Service for this district today explained the rules to follow in claiming a "retirement income credit" on individual Federal income tax returns for 1957.

The so-called "retirement income credit" is computed in Schedule K on page 4 of return Form 1040. This credit can be as much as \$240 for each taxpayer, which in effect means an additional exemption from tax on \$1,200 income at the bottom tax rate of 20 per cent.

To qualify for the retirement income credit, you must have received earned income in excess of \$600 in each of any ten calendar years prior to the current year. If a husband and wife both meet this test, and each has retirement income, each may be entitled to the credit. And, if your deceased wife (or husband) would have met this test if living, and you have not remarried, you may claim a credit even though you personally do not meet the earnings test.

For the purpose of this credit, retirement income means: (a) For persons not 65 years of age by the end of the year, only the portion of pensions for annuities included in taxable income which were received under a public retirement system (one established by the Federal Government, a State, county, city, etc.); and (b) for persons 65 or over, income from pensions and annuities, plus interest, rents, and dividends which are included in gross income in their returns.

The maximum amount of income upon which the credit may be computed is \$1,200 and that amount must be reduced by: (a) Social Security and Railroad Retirement Act pensions received during the year; and (b) in the case of persons under 65, any earned income for the taxable year in excess of \$900, and in the case of persons 65 and over but under 72 years of age, any earned income in excess of \$1,200.

For an example, assume that you are over 65 and that you have met the ten year earnings test. Assume that you included in your taxable income regular retirement income of \$1,000, dividends of \$200, and interest of \$100; that you also received Social Security payments of \$300, and that you earned \$1,500 working at odd jobs during the year. Your retirement income credit would be:

Mr. White advised taxpayers who have questions concerning the retirement income credit or any other matter on their Federal income tax return for 1957 to telephone or visit the local office of the Internal Revenue Service. The local office may be reached by telephone CL 3-7993. The address of the local office is 111½ North Main, Harrisburg.

Regular pension — \$1,000
Dividends — 200
Interest — 100
Total retirement income — \$1,300
Maximum amount for computing credit — \$1,200
Less: Social Security \$300
Earned income in excess of \$1,200 — (\$1,500 — \$1,200) 300
Amount of retirement income upon which credit is computed — 600
Retirement income credit (20 per cent of \$600) \$ 120
This credit would be entered on line 13(b), page 1 of your Form 1040, and subtracted directly from the tax otherwise due. However, the credit cannot exceed the amount of your tax otherwise due, (in other words, you can't get a refund of tax on account of this credit).

Sunday School Lesson

By Dr. Archie E. Brown
Pastor First Baptist Church
Vandalia Ill.

'The Church Teaches the Word'

I Timothy 4:6-16; II Timothy 2:1-2
GOLDEN TEXT: "Take heed
unto thyself, and unto the doc
trine, continue in them: for in do
ing this thou shalt both save thy
self, and them that hear thee."
(I Tim. 4:16)

INTRODUCTION—Teaching is
a vital part of the work of any
church. It is important in the
ministry of every pastor. Any
pastor who does not teach his
people God's Word, is failing in
this part of his God-given re
sponsibility. It is a real priv
ilege and joy to teach people the
Word and to watch them "grow
in grace and knowledge of our Lord
and Savior, Jesus Christ."

A pastor should surround him
self with a group of capable
teachers of the Word. He should
instruct and train them for the
task of teaching. Thus, through
them, he will be able to reach
large numbers of people with the
Word of God.

Yes, it is the real responsi
bility of the church to teach the
Word of God. Paul tells us some
thing about this responsibility in
the scripture we have before us.

I TEACH GOD'S WORD (I Tim
4:6-9)

What is the teacher of a Sunday
School class to teach? What is
the pastor to teach? God's Word!
Not "profane and old wives fab
les," but God's Word is to be
taught. Many teachers waste the
whole Sunday School class period
by talking of other things than
God's Word. Recently, one class
of young men spent the whole
Sunday School class period dis
cussing a basketball game that
had been played the night before.
A class of young ladies spent
their whole period discussing a
social event that was coming up
the next week.

Social and athletic events are
important, but they have their
place. Business adventures are
important, but they, too, have
their place. That place is not in
the teaching and preaching pe
riods while at church. One thing
should take precedence over all
others, and that is God's Word.

The church lives for the purpose
of teaching God's Word.

II HOW TO TEACH (4:10-12)

Good teaching is not easy. Good
teaching requires planning and
much study. A good teacher
works all week getting ready to
teach on Sunday. The teacher
who waits until the last minute
to get ready to teach a class is
fooling nobody. The "lass knows
that he (or she) is unprepared."

When the truth is taught, the
teacher will often suffer opposi
tion and reproach. A good teach
er or preacher will never com
promise. God's Word is too im
portant to be compromised.

The teacher or preacher speaks
for God. Therefore he must
speak with "thus saith the Lord."
He must speak with authority.
Teaching God's Word is not for
weaklings. It requires men and
women of conviction and cour
age.

III WHO SHOULD TEACH
(I Tim. 4:13-16)

Paul was writing this letter to
young Timothy, who was an or
dained minister. Certainly ev
ery minister should be called of
God and ordained by a proper
council. Sunday School teachers
are not ordained. However, they
should know that God wants them
to teach. God has given "the
gift" of teaching to many fine
people. Not to use this gift for
His glory is sinful. These people
should "give attendance to read
ing, to exhortation, to doctrine."

CONCLUSION (II Timothy
2:1-2) These verses, and the
ones following, tell us why we
should teach. The teacher is
surely a "soldier of the Cross."
He will not be side-tracked from
his main purpose. He will teach
the Word of God with conviction.
His great reward will come as he
sees the Word of God taking hold
of the hearts and lives of those
whom he teaches. Teaching is
not easy, but it pays eternal div
idends.

The
LIMITED...

There's a tingle of excitement in
that word *limited* as long as we're
describing a train.

But if we were speaking of the boy
—describing the effect which spiritual
neglect has on the development of the
character of a child—that's a different
matter! There's nothing thrilling
about a soul that has been *limited* in
its opportunity for religious expres
sion and growth!

The churches of our community are
here to give ALL our children reli
gious training... to help ALL our
families foster a spiritual atmosphere
in their homes.

As we make use weekly of the op
portunities our churches provide, the
potential Christian growth of the
child, the family and the Nation be
comes UNLIMITED.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest fac
tor on earth for the building of
character and good citizenship. It
is a storehouse of spiritual values.
Without a strong Church, neither
democracy nor civilization can
survive. There are four sound
reasons why every person should
attend services regularly and sup
port the Church. They are: (1)
For his own sake. (2) For his
children's sake. (3) For the sake
of his community and nation. (4)
For the sake of the Church itself,
which needs his moral and mat
terial support. Plan to go to
church regularly and read your
Bible daily.

Ridgway Defeats Galatia, 81-65; Rosiclare, Equality Win Loop Tilts

Rosiclare, Ridgway and Equality won Greater Egyptian conference games Friday night.

Ridgway, unbeaten in the conference, maintained its loop lead with an 81-65 decision over Galatia.

The winners, playing at home, held a scoring advantage in every period, with the 24-18 fourth-frame bulge representing the biggest difference in any one period.

Ernie Clifford had 22 points and Roger Suttner 25 to pace the winners. Thornton Davis and Phillip Odle tied for Galatia honors, each hitting for 20 points.

At Equality Shawneetown made a great bid for its first GEC win of the season but stumbled in the last half after holding a 27-24 advantage at intermission time. Equality claimed the win 60-47.

Shawneetown scored first and kept the lead until Equality went

in front 8-7 with the clock showing 5:05 in the first frame. The teams battled on near even terms the remainder of the half, with Equality in front 16-13 at the quarter and Shawneetown holding a 27-24 margin at the half.

Equality doubled the score, 20-10, in the third frame and held a 16-10 fourth period advantage to win without too much difficulty.

Equality's fast break worked well in the last two frames with several baskets being scored on layups with the shooter wide open.

Bernie Emery and Harlin Barnett, with 21 and 16, led Equality to victory. Jim Cox, sophomore guard, was tops for Shawneetown with 17.

Rosiclare went to Golconda and defeated Pope County 75-63, grabbing the lead in the first quarter and holding on throughout the game.

Seay was tops for Rosiclare with 22 and King led Pope County with 21.

Line score of the Rosiclare-Pope County game:
Rosiclare 18 23 11 23—75
Pope County 14 14 14 21—63
Scoring: Rosiclare — Seay 22, E. Green, 19, Russell 4, Brown 5, Belford 2, Croft 13, Edwards 10; Pope County — Boaz 16, Trovillion 2, King 21, Jones 10, Tittsworth 14.

Slaughter Signs Yankee Contract

By United Press

Enos Slaughter, who broke into big league baseball when Mickey Mantle was in short pants, has signed his 1958 contract with the New York Yankees.

Slaughter, who will be 42 on April 27, was the 18th member of the American League champions to agree to terms. He hit .254 last season and has a lifetime mark of .302 in the majors.

Pandora was the first woman on earth, according to Greek mythology.

New Haven Wins District Grade School Tourney

New Haven won the district grade school championship by taking a 43-41 overtime decision from New Haven Friday night.

Old Shawneetown was declared third place winner and all three of the Gallatin county schools will participate in the regional tournament starting at Carrier Mills Tuesday.

Galatia, unable to make the trip due to adverse weather conditions on Thursday and forced to forfeit its semifinal game with New

Shawneetown, had planned to play for consolation honors.

However, after stating early Friday they would play, Galatia school officials were notified the Junior High School Association had a rule that once a team forfeited, regardless of the reason, it had forfeited the right to continue play.

Avenge Double Overtime Defeat in Earlier Tilt; At McLeansboro Tonight

The Harrisburg Bull Dogs last night avenged a double overtime defeat at Centralia Dec. 21 by beating the Orphans, 77 to 67, in the Davenport gym.

It was a South Seven cage contest. Tonight the locals travel to McLeansboro to meet a good Hamilton county team in a non-conference game. The Foxes lost a 68-66 game last night to Carrier Mills in an overtime. They played here in the Egyptian holiday tournament and looked good after they got to rolling.

Last night the Bull Dogs were a better team all the way down the line except in free throw shooting. In that department the locals got behind during the first half when they could connect with only eight out of 16 while Centralia was making 14 out of 17.

Tied 34-34 at Half

Coach John Dotson's Harrisburg outfit played a beautiful floor game

the first quarter and worked in for many nice shots, but missed on a number of them. However, they were ahead, 17-15 when the period ended.

The locals played an ordinary brand of ball the second and third quarters, being outscored 19-17 in the second to be tied 34-34 at half-time, and outscoring the Orphans 16-11 in the third quarter, which ended with Harrisburg out in front, 50-45.

Then in the last quarter the Bull Dogs put on one of their best of defensive demonstrations of the season, scoring 27 points to ice the contest.

Bull Pups Lose

Ray Hassett, the game's high scorer with 21 points, played an other driving game on offense. Ronnie Maynard, whose finger is still in a cast, played his first good rebounding game since the digit was broken here Jan. 17. Maynard approached Hassett's total, with 20 points. Sophomore John Stone had 17 points, one more than Scheriger, Centralia's top scorer.

When Centralia was hopelessly beaten in the last two and a half minutes, both teams used numerous substitutions.

The Bull Pups lost the preliminary game, 70-45. The Centralia freshman-sophomore team was ahead 13-8 at the quarter, 29-18 at the half and 48-29 at the end of the third quarter. The Harrisburg players and points scored: Robertson 3, Henshaw 10, Wise 6, Kane 7, Banks 4, Barter 2, Hamilton 2, Aldridge 2, Shelton 7, Baldwin 2, Seton 0, Beasley 0, Cotton 0, Frantz 0.

Box score of main tilt:

Loyola Breaks Two Pool Records to Defeat SIU Swimmers

CARBONDALE, Ill. (AP) — Loyola University of Chicago broke two pool records Friday as the visitors outswam Southern Illinois in a meet here.

Tony Kieffer swam the 200-yard breast stroke in 2:41.8, breaking the old record of 2:44.9 and the Loyola medley relay team knocked down the old record of 4:28 to 4:18.6.

Sammy Duane Leads SIU Final Surge to Trip Eastern, 74-66

A last-minute surge which enabled Southern Illinois University to defeat Eastern Illinois, 74-66, in an IAC basketball game Thursday night, was led by Sammy Duane of Galatia.

Southern led by only one point with a minute left when Duane stole the ball and scored. He added another basket and Seymour Pryson had a field goal and free throw in the final 20 seconds.

Paint brushes have been in use for more than a thousand years.
